# Ex. 5 - Attorney Client

Separately (and unrelated, I believe), I received a call from the Ventura Co. DA's office asking about oilfield waste disposal/injection. Alexa was kind enough to agree to returning the DA office call to see what issues/questions they have.

Dear Mr. Bohlen, Mr. Boardman, Mr. Harris, Ms. Thompson, Ms. McCarthy, Mr. Albright and Ms. Diamond,

Please see the attached letter about our continued concerns regarding the injection of produced water from the "Indian" oil and gas well, API No. 069-20082, in San Benito County, and our response to Mr. Tim Boardman's Memo dated September 17, 2014. Thank you for your attention to this important matter. Please do not hesitate to contact me if you have questions.

Sincerely,
